

Severn Beach Preschool

Safeguarding Children

Absences

(Read in conjunction with attendance policy)

It is not mandatory to attend every session when your child is at preschool. However children thrive on routine and studies have shown that children who attend good preschool settings are at an advantage when they start school and this advantage continues right through until their later school years.

If your child is not attending on any day please let us know by phone call or Messenger or Facebook.

You will not be fined for taking your children on holiday in term time whilst they are at preschool.

If a child is in receipt of Government grant (Neg 15 hours/ NEG 30 hours or 2 year funding) we have to report any repeated absences or long term absences.

If you are in receipt of government funding and are struggling to get your child to preschool please let us know and we can work with you to try and make attendance more regular.

We follow the South Gloucestershire advice for monitoring absences.
