

Consumables explained.

Early Years Funding is intended to cover the cost to deliver 15 or 30 hours of free, high quality, flexible childcare.

It DOES NOT cover consumables such as personal care materials, our Famly app, snack ingredients and many other general running costs.

Due to the recent and significant rise in the National Living Wage and the increased cost of everything generally, from April 2024, we shall be charging for additional services for all children which will part cover the cost of our consumables.

These consumables cover costs such as:

Snack

Wipes

Suncream

Wetsuits and welllys

Famly system

Dance and PE classes

Dance equipment

Music Licences

Seasonal activities

Gardening activities

Trips into the community

The Nativity

Graduation party

It does not cover school dinners

This is not an exhaustive list and the charge we make does not cover the full cost of consumables. We are a not for profit organisation, which is a good job because there's no profit to be had.
