

Severn Beach Preschool Admissions Policy

Severn Beach Preschool aims to be accessible to all children and their families from the local community and further afield.

- The Preschool will be promoted within the community.
- The Preschool will be promoted in a manner which welcomes all children and their families from all cultural, ethnic, religious and social groups with or without disabilities.
- The Preschool will ensure the Equal Opportunities policy is shared with all parents/carers/staff and volunteers.
- The Preschool will be flexible as far as it is able to accommodate the needs of individual children and their families about attendance patterns.
- If the preschool is full at the time of application for certain sessions, alternative times will be offered in the first instance. If this is not suitable then the preschool will open up a waiting list for that session.
- When Preschool is full, children will be placed on the waiting list. Spaces which become available will be offered to the first child on the waiting list who is able to start (considering age).
- Places cannot be held for long periods of time. If your child is on the waiting list for a place in 3 months time, we will only be able to offer that place if space is available then. Putting a child's name on the waiting list does not guarantee a place at that time. We do however try to meet peoples needs and to avoid disappointment where we can.
