Safeguarding Children Policy and Procedure

Children's rights and entitlements

- We promote children's right to be strong, resilient and listened to by creating an environment in our preschool that encourages children to develop a positive self image, which includes their heritage arising from their colour and ethnicity, their language spoken at home, their religious beliefs, cultural traditions and home background.
- We promote children's right to be strong, resilient and listened to by encouraging children to develop a sense of autonomy and independence.
- We promote children's right to be strong, resilient and listened to by enabling children to have the self confidence and the vocabulary to keep themselves safe.
- We help children to establish and sustain satisfying relationships within their families, with peers, and with other adults.
- We work with parents to build their understanding of, and commitment to, the principles of safeguarding all our children.
