

Fundamental British Values are celebrated here.

These are:

Democracy

Rule of law

Individual liberty

Mutual respect and tolerance for those with different

Faiths

In preschool terms these are:

We all have a say in what we would like to do...but we don't always get our own way, we take turns and try to be fair.

We learn to manage our own feelings and behaviour: we learn right from wrong: we behave within agreed and clearly defined boundaries: we learn about dealing with consequences.

We help children to develop a positive sense of themselves. Here, children develop their self-knowledge, self-esteem and increase their confidence in their own abilities.

We are learning that we all have different ideas, likes and dislikes and that this is normal and its fine!
